This Sunday we will be honoring our graduates and praising God for how He has blessed each of them. Coach Wimphrie, the men's basketball coach from Southern Wesleyan University, will be speaking and we will host a lunch for graduates and their families after the service in the Fellowship Hall.

Graduation celebrates an accomplishment achieved for both the individual and family. Graduation also means that you are finished with one part of life and are about to embark on something new. Making this transition is usually filled with an excitement of a new adventure.

I would like to share with you two truths from Scripture, which will ensure that the next step in your life will honor and glorify God. Although these truths are simple and familiar, the life changing impact of them is monumental. The first is to proclaim that "Jesus is Lord!" Make Him the very center of your life. There is nothing in our lives that should not and cannot be brought under Jesus' authority.

The second is Proverbs 3:5-6, "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight." Jesus is not just the Lord of Sunday; He is Lord of all – Sunday through Saturday. In proclaiming Him as Lord and giving Him every detail of your life, you can be sure that your path will be made straight by your Father. Applying these truths will allow you to join God in His work of expanding His kingdom.

These truths are essential to the graduate but they are also a reminder to the rest of us who may have graduated years ago or may not have graduated at all. Proclaiming Jesus as Lord is a moment by moment, continuous decision that we all should make through the power of the Holy Spirit working in us for the glory God forever.

Jesus is Lord,

Blue Bayum
