Greenville County has informed us that we **MUST** leave the space directly in front of our sanctuary open at all times in case there is an emergency in our church. There **MUST** be enough room left for a fire truck and ambulance to park in front if the need arises. If we have an emergency and your car is parked in front.....**BE WARNED** that Greenville County emergency personnel can move your car - even though it is locked. We had an incident recently and emergency vehicles could not park where needed. Please keep the front of the church clear of vehicles.

Summer is here! At Northgate summer means many things: busy, hot, tired, fun, travel, beach, sun and many other things; but maybe more than anything else, summer means opportunity. We will have many opportunities to engage our community with the gospel as well as the community of Butler, PA.

I hope you will take the time to familiarize yourself with the many opportunities for ministry this summer. Look at the enclosed calendar for June and pray for these events. Perhaps God is calling you to more than prayer; perhaps God is calling you to action. Don't hesitate to contact the church office to discover how you can avail your time, financial gifts, talents and spiritual gifts to the many activities God has called us to do over the summer.

Two very important events will occur on the first weekend of June. Learn how to impact the lives of others through mentoring in a workshop led by our own Rev. Richard Hendricks. The workshop will meet **Friday evening, May 31, 6:30-8:30pm and Saturday morning, June 1, 8:30-11:30am** in the Bryan Whitmire Sunday School classroom. Then on Sunday afternoon, **June 2 at 4:00pm, we will have a church-wide prayer meeting** in the Bryan Whitmire Sunday School classroom. Please make these meetings a priority. Consider the following question: "If you are in town, what will you be doing this first weekend of June that will be more important than praying for the increase of the Kingdom of God through Northgate Baptist Church and learning to disciple new converts to Christ?" These important meetings will have an immeasurable impact upon the effectiveness of the ministries of God's church at Northgate.

In all of our busyness in these summer months, may we be ever faithful to "Seek first the Kingdom of God and His righteousness and trust that he will provide for our needs."

Blessings in Christ,

Barry
