Sunday, September 18

Michael Cohen, with Chosen People Ministries, will present "Messiah in the Fall Feasts of Israel." Michael will also be sharing about the exciting work they are doing to reach Jewish people for Messiah Jesus. A love offering will be taken for Chosen People Ministries. Please come prepared to make a generous offering for this very important Ministry.

Chosen People Ministries' Mission

The mission was founded in Brooklyn, New York in 1894 by Rabbi Leopold Cohn, a Hungarian Jewish immigrant with a zeal to share the knowledge of Yeshua (Jesus) the Messiah with God's chosen people. Today, Chosen People Ministries serves in eighteen countries across the globe. Our outreach programs include evangelism and discipleship, Messianic Centers and congregations, equipping the local church for Jewish evangelism, digital evangelism through our [Isaiah 53 Campaigns](#) and [I Found Shalom](#) videos, and benevolence work. With your help, we will continue proclaiming the Good News through Jesus the Messiah to Jewish people around the world.

Invite your family, friends and neighbors for this very special service on
Sunday, September 18 at 10:45.

The Gate Post

A Message from Barry Agnew, Jr., Minister of Students and Education

Every year September rolls around and it tricks me. You get those few “cooler” days and I think that Fall is almost here. Then you turn around and get another 90 degree day and realize how silly you were. I’ve lived in South Carolina most of my life, so you would think I would know better but here we are.

Even if the weather is still warm, the emergence of August and September represent a lot of change in the church. With students going back to school and families getting into routines, we have a lot coming up here at the church. Our children are back doing Wednesday night AWANA groups and our students have picked back up with activities like our 5th Quarter Outreach events and much more. Wednesday night meals are back and before you know it we’ll be moving into the holiday season. Even our facilities are changing with the completion of Phase three of our renovations!

However, at the end of the day these Fall changes bring about gospel opportunities. I want to encourage everyone to pray about how you can be a part of what God is doing here at Northgate this Fall. Ask God how you can serve in these ministries and take time every day to pray over everything God is doing. ***We know that God is moving so let’s all jump aboard and join Him where He is working!***

A Message from Dennis Page, Worship Leader

The information for this article was gleaned from a variety of sources including “Then Sings My Soul, Favorite Hymn Stories.”

1903 was a big year for Thomas Chisholm. It was that year he was ordained and given a congregation of his own in Scottsville, Kentucky. It was also that same year, he married the love of his life, Catherine Vandervere. Just six years later in 1909, health issues forced Thomas to leave his congregation. In the years that followed, and as medical debts increased, Thomas alternated between bouts of illness and gainful employment in which he did everything from journalism to insurance sales to evangelistic work.

Many people would have become bitter with God during a time of health and financial crisis, yet Thomas became quite the opposite. The third chapter of Lamentations became precious to him: “His compassions fail not. They are new every morning; Great is Your faithfulness” (verses 22-23). Thomas’ positive outlook on life never shifted, and in 1923, he took up pen and paper and wrote his most famous poem: “Great Is Thy Faithfulness.”

He sent the poem to Reverend William Runyan, a musician at Moody Bible Institute where it moved Runyan so much that he quickly took to praying that God would reveal a tune worthy of the lyrics. Once Runyan composed the tune, “Great Is Thy Faithfulness” a hymn was born.

It was an instant favorite amongst Moody Bible Institute staff and students, and quickly became the college’s unofficial hymn. It might have remained within those walls except a young man named Billy Graham heard it and began using it in his crusades in the 1950’s. What began as a simple poem from a simple man was now reaching the ears of millions.
