"Advent" simply means coming, as in Christ is coming, and for us now He has arrived. This is referring to His birth in history and in humanity. It meant the welcoming or the arrival of a special king and for us; He is our King of kings. This is what the Old Testament prophecies foretold concerning Jesus' Incarnation, the Word made flesh for our hope and atonement that brought us our deliverance. Advent represents our expectation, anticipation, and preparation for who Christ is and what He has done for us. He arrived into the world as a human being, being fully God and fully man. He came to identify as one of us, as the Son of Man, as a baby born in a manger. He came for us, He came for you and He comes into our lives and into our hearts upon our willingness to receive Him. He is coming again in great power and glory to bring His Kingdom into fruition.
